Discussion topics

- Open Forum
 -
- Government Docs scope – ways to handle government docs
 - Example search of Prison includes many things not a GOVDOC
 - ExL – 008 28 field is not allowed for searching
 - This field identifies as a gov doc
 - If ExL could add this field as an option
 - In the interim – would location in library be an ‘okay’ workaround?
 - Won’t work for online/digital records
 - NDSU - has a scope, but it’s messy
 - Mayville added a local field to the search index on the 590/690
 - Add to a notes field? Tedious at best?
 - International results coming from
 - Material/Resource type shows up in a drop down – gov docs as a material type; but doesn’t work.
 - Norm rule to duplicate the 008.28 – didn’t seem to work.

- Ebook issues
 - Staci / DSU – held by library and eBooks – sometimes shows and sometimes doesn’t - it has to do with how its cataloged
 - Net Library – ebooks – clean up.
 - UND had 24k and 13k are active
 - If a holding record exists, “Held by Library” is assigned
 - UND changed the label to “Held In library”
 - Shelby will share out to the CAT group
- SFX/Google Scholar - is the old SFX profile still showing?
 - UND had never done much with it

- UND(s)
- Have anyone found resources without URLs and a good way to fix them – portfolios specifically.
- Survey for nominations for chair:
